Apple Butter Festival

The September “Apple Butter Festival” was a BIG success and was attended by over 60 people eating fried chicken and all the yummy side dishes brought by friends and neighbors. Thanks to Cindy and Michael Peters for hosting the event and for bringing that fantastic big slide from the Pinedale Aquatic Center for the kids to play on for hours. Horseshoes and volleyball games kept lots of folks busy thru the afternoon. The band “Legends” played for hours –and donated their fee to the cause!!

The event was held in lieu of the annual “Dinner Out” held in the recent years. The Library fundraiser – cooking the apple butter all day and canning for folks to take home– was the highlight of the day and thanks to all who came to take their turn stirring. The apple butter was wonderful and all took home at least one jar for the hard work!! We have raised over \$14,000.00 for the restoration project to begin next summer. The Library committee will be mailing out information during the winter months asking for support – PLEASE send money!!!
